

# All There Is

(Music & Lyrics Christine Sweet & Theun Supheert)

Intro:

All there is for you to do is find love  
All there is for you to do is find love  
Find some love

You rather stay there in your sky  
But your not safe there, mountain high  
Not if you ever want to find  
That very treasure that keeps your soul alive

Chorus:

All there is for you to do is find love

Wrapped in a suite of golden blue  
There's no one sweeter than the truest you  
I'll give my life for someone like you  
But don't you stay there if you want to live the truth

Chorus:

All there is for you to do is find love

Bridge:

Come on down, come on over  
Yeah it's is all you've got to do, yeah it's all you've got to do  
Come on down, come on over  
Yeah it's is all you've got to do, yeah it's all you've got to do

Chorus:

All there is for you to do is find love

(You rather stay there in your sky)

Chorus:

All there is for you to do is find love  
Find some love

Outro:
