Black is the color

Cover Christine Sweet

(Music & Lyrics Nina Simone)

Black is the color of my true love's hair
His face so soft and wondrous fair
The purest eyes
And the strongest hands
I love the ground on where he stands
I love the ground on where he stands

Black is the color of my true love's hair
Of my true love's hair
Of my true love's hair

Bridge:

Dadodada dadadodadadodada
Dadodada dadadodadadodada

Oh I love my lover
And well he knows
I love the ground on where he goes
And still I hope
That the time will come
When he and I will be as one
When he and I will be as one

So black is the color of my true love's hair
Black is the color of my true love's hair
Black is the color of my true love's hair
