

The Call

(Music & Lyrics Christine Sweet)

Verse:

Graving your presence, you are loved by your love
I was hunting your essence, I gave it up, I gave up

Chorus:

Call when you're gone, when we belong, we are golden
Call when you're done, with your mountains, we're still golden

Verse:

You are here, and I am there, an unbearable suffering
No comes, between us, only us, only us

Chorus:

Call when you're gone, when we belong, we are golden
Call when you're done, with your mountains, we're still golden

Bridge:

Mmmmmmmmmmmmmmmmmmmmm, mmmmmmmmmmmmmmmmmmm
Mmmmmmmmmmmmmmmmmmmmm, mmmmmmmmmmmmmmmmmmm
Mmmmmmmmmmmmmmmmmmmmm, mmmmmmmmmmmmmmmmmmm

Chorus:

When you're gone, when your gone, we belong, we are golden
When you're gone, when your gone, with your mountains, we're still golden

Chorus:

Call when you're gone, when we belong, we are golden
Call when you're done, with your mountains, we're still golden
