The Music

Valentine

(Music & Lyrics Christine Sweet)

Valentine you should be mine
Valentine I drink your wine
Valen my dear I want you here
Valen my dear release me of my fear

Chorus:

Ahahow you can take my name, you can take my shame
Go on and play your game or I'll go insane
It will be insane
It will be insane

Now where did my heart go, I feel so low
And where do I belong, I've waited too long
Valentine, you should be mine

Chorus:

Ahahow you can take my name, you can take my shame
Go on and play your game or I'll go insane
It will be insane
It will be insane

Chorus:

Ahahow you can take my name, you can take my shame
Go on and play your game or I'll go insane
It will be insane
It will be insane
It will be insane
It will be insane
