The Music

Water

(Music & Lyrics Christine Sweet)

The desert's green, I straight my back again
The sun is gold, I raise my head again
I see the world through my own eyes again
I'm telling you, I'm alone again

Chorus:

Water, out of my nose, out of my eyes
Out of my skin, I'm drinking it
Out of my nose, out of my eyes
Out of my skin, I'm drinking it

All is forgiven you, but this is not the end
All will be taken from you, and it won't be long my friend
I feel the world in my own hands again
I'm telling you, I am back again

Chorus:

Water, out of my nose, Out of my eyes
Out of my skin, I'm drinking it
Out of my nose, out of my eyes
Out of my skin, I'm drinking it
Out of my nose, out of my eyes
Out of my skin, I'm drinking it oh

Bridge:

Aaaahaaaaaa

Chorus:

Water, out of my nose, out of my eyes
Out of my skin, I'm drinking it in

Outro:

Out of my nose, out of my eyes
Out of my skin, I'm drinkin' it in

Out of my nose, out of my eyes
Out of my skin
Oohooo, ohohohohoo
