Why Don't You Cry

(Music & Lyrics Christine Sweet)

Quiet like the blue sky, it seems quiet in your eyes
Silent as a rock I know, no water from your eyes
Brighter than the sunshine, I was blinded by your light
But we're deeper than a river, deep deep down inside

Chorus:

So why, why don't you cry my baby
Cry your water with the tide
Why don't you cry my baby
There's an ocean beyond your mind

Oh what's up my dear, I put a spell on you, oh yeah
You're loaded like a shotgun, I'm gonna trigger you, oh yeah
Shoo shoowah unlock, are you gonna give it up
Your tears will change to diamonds
You gotta let it go, let it flow

Chorus:

Why don't you cry my baby
Cry your water with the tide
Why don't you cry my baby
There's an ocean beyond your mind
Why don't you cry my baby
Why don't you cry

Bridge:

Ooh, you gotta sneeze when you gotta sneeze
You gotta scratch when you gotta scratch
You gotta pee when you gotta pee
But sometimes you've got to cry baby
Your tears will change to diamonds,
You gotta let it go, let it flow

Outro:

Cry, cry your water with the tide
Why don't you cry my baby
There is nothing you gotta hide
Why don't you cry
Why don't you
Why don't you, cry
There is nothing you gotta hide
