The Music

No Way To Hide

(Music & Lyrics Christine Sweet)

Intro:

Ahaa ahahahaa, Ahaa ahahahaa
Ahaa ahahahaa, Ahaa ahahahaa

In a dream within a dream the dreamer sleeps
Holding love in absolute captivity
Will you follow your bizar and mystic ways
Driven by the force that comes from inner space

When we wake, who knows we might be still
asleep
Who can tell the truth when we are on our knees
But one morning, just one morning before you
wake up
The magic finds you right behind you're mask and
make up

Chorus:

Oohoo, ahahahaa, let's bring the force alive
Oohoo, ahahahaa, don't keep it all inside
Oohoo, ahahahaa, 'cause there ain't no way to
hide

The world is waiting, for the wizards to arrive
But it is surely for you and me, to take that ride
Wake that side of you, that holds the key to life
Wake the brave knight, who's not afraid to die

Bridge:

Oohoo, awake

Hey, death is just a way to say goodbye to life
After this life there are many many other lives
All is fractal, time will lead us patiently
O my baby, close your eyes and you will see

Chorus:

Oohoo, ahahahaa, let's bring the force alive
Oohoo, ahahahaa, don't keep it all inside
Oohoo, ahahahaa, 'cause there ain't no way to
hide

Outro:

There ain't no way to hide
Your magic is inside
You know, you are magic
Let's bring the force alive
